Koko An Tuesday August 11

Dear Tai San:

I am sorry to learn that you have moved from the cottage, and am at a loss to know how to explain your absence to our members. I gave a firm promise to Soen Roshi that I would do my best to clear the air with you, and I still hope to accomplish this.

I ask that we put personal feelings aside and act for the sake of more important things. Please do come over to see me, Tai San. I am still sick, but am better than yesterday. I will agree to any sort of arrangements for our meeting which you may suggest.

Yours, as ever,

(Bob)
