Happy New year

I usually acknowledge receipt of your kind
Diamond Vanghe.

And I much appreciate your kindness, when
I stayed in your house.

But I was very sad, the fact that you are
getting into a dispute with Taisan at that
time.

I am praying to god, for you are able to
become reconciled with Taisan.

This time I ^{will} open "one man sho = Kirigami."
at Takasaki-city, 9. 10. 11. January.

Send my best regard to your friends.

truly yours.

Keinichi Fukuda.
