Matsugaoka Bunko/1375 Yamanouchi/Kamakura, Japan/October 25, 1965

Dear Dr. Phillips, /I happen to notice my name among the “Advisors” in the newly organized Zen Studies Society’s letterhead. This is strange for I was never notified about the existence of the new Society, and am naturally surprised at finding myself listed with the two gentlemen, Yasutani and Nakagawa. /Will you please strike out my name at your earliest convenience and oblige, /Truly yours, /Daisetz T. Suzuki
