

Dear Bob & Anne:

June 18. [1970]

It was so nice to talk to you over phone.

Please forgive me that I did not write to you from Japan in terms of your request about the Roshi's visit to your Zendo in Maui. In fact, we did not know in advance, what sort of schedule we can make.

At any rate, you will see him before this letter. Please take good care of him. I leave all the schedule of Koryu Roshi's stay in Hawaii. Please make a plan to take him around to show him Hawaii beside the

visit to your Mami Zendo and Kokoan.

I'm planning to leave for Japan again on June 30. However, this time I have had to reserve the plane of the north bound, so that I miss the chance to see you in Honolulu. Last time Anne kindly came to see me at the air port which I really enjoyed and also appreciated.

When I come back, I hope to see you in Hawaii on the way back to L.A.

I understand that Soen Roshi is coming to visit U.S.A in Autumn. When you'll see him

please extend my best regards to him.
Convey our very best regards to Mr. Sekida
too.

I sincerely wish that all of you will
enjoy Kouzu Roshi's visit and spend
pleasant and significant time with him.

yours in Dharma,
Gassho,

Tai Jan
