Dear Eido Roshi and Yasuko:

This letter is written on behalf of the Board of Directors in response to your December 21, 1983 letter to the Board, regarding the purchase of your cooperative apartment and financial arrangements now and after your death. This letter as well as the previous one will be filed in the Minutes Book.

The Board approved all points proposed in the letter and shall execute their part of the agreement trusting that you execute your part.

The Board also agreed at the suggestion of Bugyo, David Schnyer, that a monetary gift be given to Yasuko for her efforts at the house during the past 12 years. The amount of this gift will be decided by the Carlson fund committee members when the house is sold.

Due to the holidays and some unexpected business, this letter has been delayed. Please accept my apology.
