Dear [REDACTED] and [REDACTED],

Thank you for your letter of January 17th. Please accept my apology for the delay in acknowledging it, however, it was unavoidable due to the changes in the Board and the recent birth of my daughter.

I thank you for sharing your insights and I appreciate your gesture of good will in reconsidering your action. Likewise, we will proceed as judiciously as we possibly can. On behalf of the Board of Trustees, I wish you both every success in your spiritual evolution and may you actualize your every aspiration and be fulfilled.

Sincerely,

Richard Rudin
President
THE ZEN STUDIES SOCIETY
