MEMORANDUM

To: Eido Shimano Roshi
From: kjf 
Re: Legacy Fund Charter
Date: September 18, 2000

Attached is a draft endowment fund "charter" prepared by Jiro Osho and myself. It has not been circulated to any member of the Board of Directors other than Jiro Osho. It is our best effort at an effective and comprehensive charter. Please note that it departs in several material respects from matters that were discussed and approved at the last Board of Directors meeting.
