

THE ZEN STUDIES SOCIETY

EIDO T. SHIMANO ROSHI, ABBOT

October 14, 2000

Mr. and Mrs. Daniel Dornier
25 Field Point Drive
Greenwich, CT 06830

Dear Audrey and Daniel,

Thank you for your efforts to provide the seed that now makes
The Dharma Legacy Fund a reality. We truly appreciate what you have done.

As you made clear, you will remain anonymous as donors to the Zen Studies
Society, Inc. We include with this letter our gratuity form to officially
acknowledge your contribution to The Zen Studies Society, Inc.

At this time, the contribution of New York Zendo and Jean Bankier should have
reached Peter Catenacci at American Express. The Dai Bosatsu Zendo
contribution will reach American Express before the end of next week.

As both of you initiated the first discussions about the Dharma Legacy Fund,
and had clear ideas about its structure, we would like your views on a proposed
Dharma Legacy Fund Charter that we have been working on. You will be
receiving a draft of this charter in the next week. If your schedule permits,
please read it and give us your suggestions on how to improve it.

We thank you in Gassho

Ven. Eido T. Shimano,
Abbot and Chairman of the Board of Directors,
The Zen Studies Society, Inc.

Rev. Jiro Fernando Afable
President of the Board of Directors,
