

THE ZEN STUDIES SOCIETY

EIDO T. SHIMANO ROSHI, ABBOT

February 14, 2001

Dear Friends,

On February 10, 2001 the Board of Directors of The Abbot Tani Foundation met in Gifu. Respecting the late Tani Kogetsu Roshi's wish, we decided to continue to support the Dharma activities of your group. The amount of the donation will remain unchanged. When financial support comes all by itself, human beings have a tendency to take it for granted. Please, receive it with renewed gratitude every month, and express your thanks to Tani Roshi by sending me a short statement of acknowledgment through facsimile.

On behalf of The Board of Directors of The Abbot Tani Foundation I hope that your Sangha will continue its activities with a vital spirit.

Gassho,

Muishitsu Eido Tai Shimano
