Kobutsu,

I am not planning to answer this question until the end of next week. Too many other things happening. Any clues on who this person is?

In the meantime let's name your archive and get the certificate of gift in place. We can date it to when you were in Hawaii. Roshi's archive is simply called the Robert Baker Aitken Papers.

I would like to suggest your archives is also named Kobutsu Malone Papers. Let me know what you think.

I understand that the local HNL newspaper has also published the NY Times article.
