Dear Chobo-Ji Members and friends,

Here is a link to the June 5th Teisho that I gave at Shobo-ji in New York City on the occasion of our Dharma Grandfather's, Gempo Roshi, memorial:

This may be the first and last Teisho I give at NYZ if the animosity from Eido Roshi's defenders keeps me away. I hope this won't happen, and I've kept this Teisho back because it offended some, but now that I am mostly free of that system, I see no harm in sharing it at least with all of you.

With gassho,

~Genjo
