July 26, 2012 – 1:41PM 2:19 Duration

R: This is Rick Werwaiss.

K: Er, yes, Good afternoon Rick, Kobutsu Malone calling.

R: Good afternoon.

[sternly] If you are recording this conversation I am requesting that you stop doing so please.

K: That's my policy to record everything for my own protection. But I will in this case... all right, hold on...

[pause while recording is stopped – live, handwritten notes taken from this point]

K: Ok, we are on.

R: Thank you for turning off the recording. I am calling to request that you take down the Nature Conservancy logo, the pictures of myself and Mark Tercek from the website and to remove the transcript of our last conversation from your website.

K: Ok, I'll have to get back to you on that.

R: Ok, thank you.

K: Yep, bye.
