Subject: [AZTA] A Note from the Committee

Dear All,

First, our committee is proceeding apace and while we will not be able to present the options by tomorrow as we had hoped, we are confident we can get it to the membership before the end of December.

In the meantime we feel we should remove the membership list at our website for the time being. We feel this will allow us time to resolve our status issues without the sense of emergency.

We will ask our webmaster, Genjo to temporarily pull the list as of January 1st, unless there is an outpouring of objection.

Respectfully,

James

on behalf of the committee

Judith Roitman, Mary Mocine, Genjo Marinello, James Ishmael Ford
