

Eido Shimano, the 'Zen Predator' of New York

February 06, 2014

 LISTEN  DOWNLOAD 

Sexual abuse in religious institutions is often committed by the people a community trusts most – its priests, ministers, rabbis, imams. And the Zen Buddhist community is no different. A religion columnist for *The New York Times* tells the story of Eido Shimano, a Zen master who sexually harassed his female disciples for decades.

Mark Oppenheimer, author of *The Zen Predator of the Upper East Side*
