Dear Dharma Friend,

Thank you for making the Golden Wind Zazen-kai at Reflections Center a beautiful experience.

Everything worked out as intended. A video copy of Eido Roshi's Teisho on the website very soon. I will keep you posted when this happens.

Meanwhile attached is the group photo for your momento as a thank you for your participation.

Please note that the next Zazen-kai dates have been updated to **Sunday November 23rd** and **Sunday December 7th**. Please make note of these dates. The confirmed announcements will be released shortly. Until we meet again, please be well and stay in touch.

Gassho,

Zensho
