

Sept. 15, 1964 / Sept. 15, 1964.

Dear Mr. & Mrs. Robert Aitken

How do you do?

I hope you are fine.

I met Tai San in New York
and was always with him.

Also, I was with Jyōgaku
Fukutani San. She is now
at Mrs. Lenore Strauss' house
— Maryland.

I ~~has~~ heard of the event
which happened in the Diamond
Sanga from both Tai San &
Fukutani San.

I'm very very sorry.

Why must we have such
a sad affair?

I believe ~~you~~ in both of you.

I believe your sincere
efforts for Dharma.

And still, Why must we

have such a sad results!

I don't know why.

But I think myself,
that each member of the
Diamond Sanga including
you & Tai San, must have
some faults.

I am going back to Japan
by President Wilson from
San Francisco.

It is to arrive at 8.00 a.m.
Honolulu harbor and leave
there at 10.00 p.m. on Oct.
13th.

I desire to see you to say
good bye and mention my
gratefulness to you while I
~~was~~ ^{was} in America.

May I visit you?

Jyogaku Fukutani San
asked me to send her best
regards to both of you.

She said to me she went
to your house before she
leave Honolulu to express
her best regards to you.

But she could not meet
you.

She was very sorry about
this. But she was ^{very} glad to
received the lei from you
after that.

I strongly hope to see
you again.

Best regards to you.

Yours. Sincerely

at Yellow Springs.
