Dear Dennis:

The Diamond Sangha wishes to offer to refund the \$500.00 which you contributed toward the payment for the Pupukea property. Now that it is definite that the Roshi will not retire here, it is possible that you may regret this donation, and would like to have it returned to you. We would be glad to hear from you about your wishes in this matter.

We hope that you and Grace are by now nicely settled in to your beautiful new home, and that all will go well with you in the coming year. Things are about the same with us here. Our faithful zazen group, about half new members and half old, continues to meet twice a week, with several members also coming for zazen at other times.

Anne joins me in sending warm regards to you both.

Yours sincerely,

Robert Aitken, Chairman
DIAMOND SANGHA
