Rev. Kyoki Roberts, abbot of Zen Center of Pittsburgh / Deep Spring Temple and my dharma heir, is a skilled and experienced mediator and facilitator. She has founded an organization called An Olive Branch, which is dedicated to the resolution of disputes within spiritual and non-profit communities. Here is their website home page:

If you're interested, please check out the website. If you know of a Buddhist temple, monastery, or group that is having internal problems of any sort, or any other church group or non-profit organization, you might refer them to An Olive Branch.

Hands palm-to-palm,

Nonin
